Director's Meeting

	wednesday, 10 April 1952 25X1
į	PRESENT: General Smith, Messrs. Dulles, Wisner, Wolf, Becker, Hedden,
(deneral Smith referred to the item in today's Log concerning our anti-Communist osychological warfare program and, after some discussion, undertook to contact Mrs. Eleanor Roosevelt and request that she come in to see us concerning this program.
o H o n i t	In Dulles stated that Park Armstrong was sending people to various embassies estensibly to engage in peripheral reporting; however, it would appear that the transtrong was attempting to create a small foreign service within his own organization. After some discussion, the DCI directed that we discuss this matter with Armstrong to the end that he discontinue sending representatives from his office to foreign posts for permanent station. In this connection, the Director also noted that we should have no objection to Armstrong sending his intelligence people on trips and this was to be expected; however, he did not want these people prying into our affairs. DDCI Advises after further encoderation.
M t	r. Wolf recommended that the Director call Senator O'Mahoney within the next wo weeks concerning the Senate Committee's hearing on our budget.
M	r. Wisner:
D h	a. Noted that Mr. Jessup had been assigned the task of monitoring the urrent political go around with the Soviets and that he (Mr. Wisner) had been equested to go over to the State Department and give Jessup a briefing. The irector approved but stated that in the future Jessup and other officials of is level should come here for briefings since he did not approve of his eputies going to them.

(CONTINUED)

25X1	Mr. Wisner (Cont'd.)	
25X1	c. Noted that he would like to discuss assignment with the DCI. The Director stated that he had discussed this matter to some extent with yesterday and if decided to stay with us he intended to make paramilitary operations a separate activity with at the he In this connection, he noted that it was absolutely necessary to have a military man in charge of these activities and such individuals were hard to get. After some further discussion, the DCI directed that Mr. Wisner work out the details involved in making our paramilitary operations a separate operation since if we could not obtain the services of he intended to get some other qualified person to head this program.	od
	d. Noted that we had briefed Ambassador Sebald yesterday.	
		25X1
_	Mr. Hedden noted that Col. Hansen had been successful in preventing another article being written on intelligence failures and in this connection briefly discussed a proposal that CIA have a Congressional Committee or possibly a committee appointed by the President to "front for us". In this connection, the Director noted that this idea warranted some thought, however, he would not go along with any committee which would interpose itself between the President and him.	
	Mr. Becker:	25X1
	a. Noted that Mr. Amory had been invited to go to London to see in June. The DCI approved.	3
	b. Stated that OCD had completed its move to Riverside Stadium.	
	c. Noted that he would leave with a draft copy of the Brownell Committee report for the DCI.	25X1
